INTRODUCTION

This guide demonstrates how to subscribe to a question to ensure you receive notifications when new answers are posted for that question.

Why should you subscribe to a Question?

By subscribing to a question, you are electing to receive email notifications when Answers are submitted to that question. If you <u>Ask a Question</u>, you will automatically be subscribed to that Question.

- Navigate to the question to which you want to subscribe.
- Click on the **Options** link in the upper-right corner and then select **Subscribe**.
- OR click on the **I have this problem too** button.
 - When you subscribe to a question, you will also automatically submit a Yes vote for rating the question as "good."
 - (i) Questions with more Yes votes will appear higher in search results with the "Most Helpful" filter applied on the Answers Forum.

Follow the steps in <u>How to Stop Receiving Notifications for Your Question</u> to unsubscribe from a question.

Or, for more information about our Answers forum, head over to our <u>Answers Overview Page</u>.
